

MEDICATIONS IN SCHOOL

Teachers are not permitted to administer any kind of drugs or medication. If it is necessary for your child to take medication during school hours, please follow these Harford County Public Schools' rules:

1. An adult must bring the medication to school and present it to the school nurse or office personnel. Children are not permitted to transport the medication on the bus or to carry it to school.
2. The medication must be in the original pharmacy container with directions clearly stated on the bottle.
3. All medication, including over-the-counter medication, must be accompanied by the medication policy and permission form, completed by the physician.
4. The parent must sign the form authorizing the nurse to administer the medication.
5. On the last day of school all medication should be picked up by an adult by 3:30 PM. If not picked up, it will be disposed of properly.
